PORTABILITY REQUEST FORM

Under the Section 8 Housing Choice Voucher Program, families can move their assistance from one unit to another unit under certain conditions. "Portability" means moving from one housing authority's jurisdiction into another housing authority's jurisdiction. **All of the following questions must be answered before a request to portable can be considered:**

AM I ELIGIBLE TO MOVE INTO A UNIT IN A DIFFERENT HOUSING AUTHORITY?

1. Were you living in this County when you placed your name on the waitlist? Yes No
2. Have you been leased up in this County for 1 year? Yes No
3. Do you currently owe money to your landlord or the Housing Authority? Yes No

If you answered NO to questions #1 and #2, you may not be eligible to port out. Recipients of Emergency Housing Vouchers (EHV's) are not subject to this requirement and are eligible to port their voucher at any time.

If you answered YES to question #3, you must pay the balance due in full to be considered for portability.

If you believe you are eligible to port and you would like to transfer your housing assistance to a unit in a different housing authority's jurisdiction, please fill out the form below. Your request will not be processed until the Housing Authority receives a copy of your vacate notice showing you've given your landlord 20 days' notice of your intent to move. Please be aware that it could take up to three weeks to review and process your Portability Request Form depending on the number of requests pending. If you cancel your request, and wish to port to a new location, you will need to submit a new Portability Request Form and that process could take up to three weeks depending on volume. Initial here showing you understand the rules of portability as they apply to you _____

Next steps in the portability process:

1. We will contact the housing authority that covers the area you would like to move into. We will inform the other housing authority that you wish to "port in" to their jurisdiction and confirm that they are receiving portable vouchers.
2. Next, your request to port out must be approved by your current housing authority, and the housing authority in the location you wish to move. Our representative will inform you whether or not your request has been granted.
3. If your request has been approved by both housing authorities, we will process your portability documentation, and your program documents will be sent to the housing authority where you will move.
4. You will need to contact your new housing authority to inquire about any additional requirements that they may have.
